III President’s Remarks
Ms. Semper welcomed returning Board members and new trustees Izzy DeBiasse and Joanna Askey.

Ms. Semper congratulated the Foundation on their very successful fundraising campaign which has nearly reached the Foundation’s goal of $20,170.

Ms. Semper thanked Meaghan Darling, who has been coming in to assist during the ongoing search for a new Youth Services Librarian. Ms. Semper also extended her thanks to the staff for dealing with many recent challenges, including major problems and delays with the new ILL delivery service, thermostat issues, and maintaining the children’s department.

IV Consent Agenda

Director’s Report
In addition to her written report:

- MAIN: Ms. Begraft discussed the Morris County Freeholders’ offer to MAIN regarding provision of services to four towns who do not have libraries: Netcong, Victory Gardens, Boonton Township and Mine Hill. She provided the Board with a history and overview of the MAIN consortium as well as background on the current situation. In brief, the Freeholders have offered to extend by one year their transitional funding of MAIN, in exchange for which (a) there would be a freeze on Library assessments to MAIN and (b) certain library
services would be provided by MAIN member libraries to residents of these four towns. Under this current proposal by the County Administrator, the four towns would not be required to contribute financially to MAIN.

We agreed that Ms. Begraft will reach out to Township administration to see if they have questions or would like further information regarding this matter. We will discuss further at our February meeting and will provide any feedback to Ms. Begraft before the next meeting of the MAIN Board.

- Ms. Begraft will be following up with the Director of the Berkeley Heights Library to see if they are any closer to a timeframe on their move.

- Friends of the Library: Ms. Begraft provided her report from the Friends meeting. Shred it Day is scheduled for April 21. The Friends are working on other fundraising ideas as well as increasing membership.

A question was raised about possible confusion distinguishing between the Friends and the Foundation. There was a discussion about the roles of the two groups.

The Friends could be asked to assist with a shelf reading; they have in the past volunteered to help with this sort of project.

V **Committee Reports**

**Administrative Policy Manual & Bylaws** – It is time for the three-year review of the Policy Manual.

**Building & Grounds**

- Roof coils – So far so good although the coils have not yet experienced the sort of weather conditions that will truly put them to the test. However, there appears to be runoff from the roof draining near the ramp.
- Heating – There are continuing issues with the new thermostats and temperature regulation, which was not a problem with the old thermostats. Ms. Begraft and staff are continuing to work with the contractor.
• Furnace – Ms. Begraft and Ms. Klawitter plan to meet regarding future furnace repairs.
