VI Committee Reports

Administrative Policy Manual & Bylaws – Ms. Askey and Ms. Begraft met regarding the security camera policy and the policy for responding to law enforcement requests. The committee plans to have a draft for Board consideration at the April meeting.

Building & Grounds – no report

Finance – In order to finalize the budget, the committee needs to know whether the Township will be able to provide any of the requested funding.

Ms. Schneider has prepared an overview of income and expenses for 2019. This budget trims discretionary expenses (such as programming and materials) and includes financial contributions from the Library Foundation and the Friends. However, the Library will still need an additional $38,645 to cover its expenses.

Another concern is that we do not know what the cost of inter-library loan delivery services will be after June 2019. Currently there is $5,000 budgeted towards that expense.

The Board discussed additional budget saving measures (such as closing on Sundays, cuts to publicity and staff development and early evening closings) and possibilities for bringing in revenue. It has been determined that, if necessary, the Board could approve a withdrawal from the Acorn fund to cover expenses. Ms. Schneider asked the Board to think about and be ready to discuss these budget decisions at the next meeting.

On a related issue, there was a discussion about updating the way patrons pay for copies.

Ms. Schneider made a motion to approve Resolution 2019-09 Approving an Extension for the Temporary Budget. The motion was seconded by Ms. Semper and unanimously approved.

Technology – no report
Strategic Plan – no report

Personnel – The Library is fully staffed at this time.

Nomination – no report

VII Old Business

- Requests by HPAC/Historical Society
  Ms. Begraft met with Ms. Semper, Mr. Kelly and Ms. Burtnett to start the process of evaluating the requests for space by HPAC and the Historical Society.

VIII New Business

- Stirling Street Fair
  The Stirling Street Fair will be held Sunday April 14. The Library table will need to be staffed from 10-3. The Foundation plans to have a representative at the table and we will see if the Friends can offer some assistance. Board members are asked to sign up with Ms. Burtnett.

- 2019 State Report
  Ms. Begraft presented the New Jersey Annual Data Collection report for 2019 and answered questions from the Board. Ms. Kosempel volunteered to begin researching additional grant funding for programming and materials.

- Resolution to Approve Flood Related Costs from Capital Fund
  The Library should be receiving its insurance reimbursement in April. In the interim, payments to the contractors for emergency work to remediate the flood and repair the kitchenette and meeting room will need to be paid from the Capital Maintenance and Repair Fund. The Fund will be reimbursed once the insurance funds are received.

  Ms. Semper made a motion to approve Resolution 2019-10 Approving Flood Related Costs from the Capital Fund. The motion was seconded by Ms. Mayer and was approved unanimously.
